The True Issue.

I believe this government cannot endure permanently
half slave and half free. I do not expect the Union
to be dissolved—I do not expect the house to fall—but I
do expect it will come to this. It will become all
one thing, or all the other. Either the opponents
of slavery will arrest the further spread of it, and place
where the public mind will rest, the issue before the
country, in the form of a question, or its advocates
will push it forward, till it shall become alike lawful
in all the States, old as well as new—north as well as south.

WE MUST PREVENT THE REVIVAL OF THE
AFRICAN SLAVE TRADE, AND THE ENACTING
OF A TERRITORIAL SLAVE CODE.
WE MUST PREVENT THE REVIVAL OF THE
AFRICAN SLAVE TRADE, AND THE ENACTING
OF A TERRITORIAL SLAVE CODE.

Lincoln Will be Elected.

This is what the New York Herald is at
last forced to admit. It has tried all means
fair and foul, to avoid this conclusion. It
has preached fusion, endeavored to get up
ponies upon the money market, and sought
to frighten the country with column after
column of threats from southern writers.—
But it is all abandoned and it gives up all
hope of New York. We copy the following
from its "leader" of last Friday morning:

"Common justice to all concerned
demands that this idea that 'something may
turn up' to redeem New York should be
abandoned. New York will vote for Lin-
coln, and by a larger majority, we dare say,
than any other State. LINCOLN will be elec-
ted. There is no use in mincing the mat-
ter any longer. We are called upon to look
this thing full in the face. The best that
our union forces can now do is to save all
the odds and ends of the election within
their reach, such as congressmen, assembly-
men and county officers. LINCOLN will be
elected, and all parties concerned may as
well just now shape their course to that
event as to wait till the day after the elec-
tion."

The fusionists have given up New York
to Lincoln; and are going to save what
odds and ends they can, such as congress-
men, assemblymen and county officers.—
That is the game there AND HERE ALSO.
The fight is transferred to the LOCAL
ELECTIONS all over this State. Let republi-
cans beware of this plan and stand by
their regularly nominated tickets every-
where.

YOUNG MEN!—You who are to vote for
President for the first time, remember that
ABRAHAM LINCOLN, was once, as many of
you are now, poor and working for a liveli-
hood; laboring upon farms as a hired man,
toiling upon flat boats, tramping through a
new country as a surveyor, camping in the
forest or upon the prairie, and enduring all
the hardships of a pioneer life. The sym-
pathies and active support of all young
men, striving to gain for themselves a po-
sition in the world, should be for ABRAHAM
LINCOLN. Young men, cast your first votes
for him, as a tribute to his manly energy
and heroic spirit, which has enabled him to
triumph over all the depressing circumstan-
ces of his early life.

There is nothing so galling and
tooth everywhere in the democratic camp.
Power and office is slipping away from them
—the people are leaving them, and Old
Abe is going to be elected. But they can't
help themselves—the die is cast.

A Comparison of Candidates.

The Democrat of this morning has an
article comparing the merits of the candi-
dates for assembly in this city, which dis-
cards the gross blackguardism of "Bad-
wash" and is a general improvement upon
the style of the "bounds" who have had
a free swing in the columns of that paper.
We propose to give this article an examina-
tion.

One of the points made by the Democrat
in favor of Mr. Richardson is a priority
and length of residence. Mr. Richardson
is declared to be "an old resident—a pio-
neer in our midst." Mr. Graham is asserted
to be "a comparative stranger in our
midst." Now, what are the facts in this
case, and is there the great difference in
the actual residence of the two men which
the Democrat claims? All who know Mr.
Richardson, know that he was a long time
a resident of California; that since his re-
turn to Janesville he has revisited that
country and made a tour of Europe. Mr.
Graham came to this city three years ago,
and during the time he has been a resident
here, we venture the assertion that he has
spent more time in the city than Mr. Rich-
ardson. If Mr. Graham has, as the Demo-
crat charges, "scarce acquired a residence"
in Janesville, how nearly has Mr. Rich-
ardson come to losing a residence, not only
in Janesville but in Wisconsin? Will candid
men answer?

Another point in favor of Mr. Richardson
is that his nomination was unexpected, and
unsought by him. This is probably true;
at least, report assigns the tender of the
nomination to several other gentlemen, be-
fore it fell upon Mr. R., and a reluctant ac-
ceptance when it was conferred. Certain-
ly, in the convention which nominated him,
he had a strong competitor without the
loasted qualifications of Mr. Richardson,
who would have been a successful one, if re-
port is true, but for the sharp practice of
expert party leaders. Mr. Richardson was
selected simply and solely because he was
considered available, and not from any spe-
cial respect for him or any disinterested de-
sire to obtain a respectable candidate. The
"democracy" are not always so careful in
the selection of its candidates that it can
often place itself in this respect, or claim
a great deal of merit when it happens to
make a creditable selection.

"Interests out of the state," is an empha-
sized charge made against Mr. Graham.—
Did it occur to the Democrat whether Mr.
Richardson has any "interests out of the
state"? Has he no interest or business re-
lations in California? If Mr. Graham's
interests in Minnesota are an objection to
him, how are Mr. Richardson's interests in
California to be regarded? And if Mr.
Graham has sometimes been obliged to go
up the Mississippi to look after his business
there, has Mr. Richardson neglected his af-
fairs in California? Let Mr. Richardson's
prolonged visits to that country answer.

The Democrat, by intimation charges Mr.
Graham with being elected to an office be-
fore he was eligible to it. This is false;
but if true, why was not his seat contested
and declared vacant? or did the fact of his
receiving all but three votes at the election
afford no hope in a contest? It also at-
tempts to excite prejudice against him as
to the manner of his nomination. Its la-
bor in this respect will be in vain; republi-
cans have a way of settling their own mat-
ters without seeking or heeding the coun-
sels of their enemies.

There are some other matters in the
Democrat's article, but they are all embrac-
ed in the points we have noticed, and we
ask wherein is Mr. Richardson shown to be
in any better position, in these respects,
than Mr. Graham?

We have thus far treated Mr. Richardson
with respect, and intend to do so through-
out; as we have once said, the task of de-
traction we shall leave to Mr. Graham's
enemies. We have shown that in the ob-
jections made against Mr. Graham, his com-
petitor is liable in precisely the same things
as these very alleged objections. But we
propose now to go a step farther, and while
we shall not disparage Mr. Richardson, to
claim in some important characteristics a
decided superiority for Mr. Graham. Mr.
Graham we claim is better qualified for
public duties than Mr. Richardson, while in
every qualification which constitutes a good
private citizen he is in no one the inferior
of the democratic candidate. Mr. Richar-
dson's attention, for the last eight years, has
been wholly engrossed with his own private
business; the public interests or public wel-
fare have received little of his care or sup-
port. We do not allege this as a complaint,
but as a fact pertinent to the Democrat's ar-
gument. Mr. Graham, since his residence
here, has been actively engaged in promot-
ing the prosperity of the city, through a
zealous support of its institutions and pub-
lic policy. Added to this, his experience
in legislative bodies, where Mr. Richardson
would be a novice, qualify him for far great-
er influence and usefulness. Is not this ap-
parent to every one?

The Democrat "can see no reason why
Mr. Graham should be elected to the legisla-
ture." Unfortunately for that paper, republi-
cans don't look through its eyes. They
can see that in Mr. Graham they have a po-
litical friend and a representative of their
party and their principles, who will be en-
trusted with peculiar and important du-
ties. A United States senator is to be chosen,
the state is to be divided for the legislature,
and perhaps for congress. Other matters
requiring experience and a cool judgment
will be presented for consideration, where a
friend will be preferable to an opponent.—
If the Democrat can see in these things no
reason why republicans should support Mr.
Graham, republicans can see no reason why
they should support Mr. Richardson, and
the Democrat dare not urge the real reasons
why it desires the election of its candidate.
That paper and its party want a democrat
for the purpose of making an inroad upon
the republican party, and adding one vote
to the others it hopes to gain in the legisla-
ture, in order to obtain the control of that
body and inflict a deadly wound upon the
republican party in the state. It and its
democratic friends care no more personally

about Mr. Richardson than they would about
John Smith if he had been nominated.—
They are after a political victory, and nothing
else. Every other "reason" is a mere
pretence, and should be so regarded by every
republican in the city.

The First Squatter Sovereign Squelched
by Jefferson.

Mr. St. Clair, governor of the northwest
territory during Mr. Jefferson's administra-
tion, was the first advocate of squatter sov-
ereignty in this country. In a speech to
the convention of the northwestern territo-
ry he held the following language:

"That the people of a territory should form
a convention and a constitution needed no
act of congress. To pretend to authorize
it was, on their part, an interference with
the internal affairs of the country which
they had neither the power nor the right to
make. The act is not binding on the peo-
ple, and is, in fact, a nullity; and could it
be brought before that tribunal where acts
of congress can be tried, would be declared
a nullity. To all acts of congress that re-
spect the United States they can make no
objection; in their corporate capacity, and
which are extended by express words to a
territory, we are bound to yield obedience.
For all internal affairs we have a complete
legislature of our own, and in them are no
more bound by an act of congress than we
would be bound by an edict of the first con-
sul of France.—See National Intelligencer,
Dec. 6, 1802."

Mr. Jefferson through Mr. Madison his
secretary of state, met this doctrine by the
following note:

Sir:—The President, observing in an ad-
dress lately delivered by you to the conven-
tion at Chillicothe, an intemperate and in-
decent use of language to the legislature of
the United States, and a disorganizing
spirit and tendency of very evil example,
and expressly violating the rules of con-
duct required by your public station, deter-
mines that your commission of governor of
the northwestern territory shall cease on the
receipt of this notification.—See Doolittle's
Speech, Appendix to Globe, 1860, Page 100.

We can judge from this what Jefferson
would have thought of the idea that "the
people of a territory have the right to re-
gulate their own affairs in their own way"
against the will of the nation, as the popu-
lar sovereignty Douglasites declare in these
days.

The New York Evening Post says
that Buchanan's Secretary of the treasury,
Mr. Cobb, has felt it within the line of his
duty to visit New York city, and indulge in
the use of the most incendiary and treason-
able language. He announced it as a set-
tled purpose of the Southern States to make
a new government. The old public func-
tionary, whom the democrats elected four
years ago, must know all this. If what
Cobb says is true, Buchanan is as deep in
the scheme as he is; if it is not, they are
both engaged in a conspiracy to get up a
panic to affect the election.

THEY ARE WAITING FOR US.—All over
the south there are republicans who dare
not avow their sentiments. They are
crushed by the tyranny of the majority.—
They are noble men, but life and property
are dear to them, and they silently submit.
They are waiting for us to elect a president
—they are waiting for us to emancipate
them from the thralldom that overpowers
them. For the sake of these men let us
work for such a majority on Tuesday as
will carry a moral power with it for their
protection.

The Key West Democrat welcomes Judge
Douglas to Florida with the couplet:

Now, Judge, if thou wilt with all the powers to damn,
Canst thou come to the full thing I am?

THE DIFFERENCE.—The republicans
want to settle our government lands with
free men upon free homesteads. The demo-
crats would permit slaveholders to settle it
with large plantations, stocked with slaves,
beside whom free white working men would
not, and could not if they would, get a liv-
ing. The way to prevent this is to vote for
LINCOLN who is against slavery in the ter-
ritories and in favor of giving the actual set-
tler a homestead upon the public lands.

GOOD FROM PENNSYLVANIA.—The news
from Pennsylvania is of the most cheering
character. A despatch to the New York
Tribune says that the old Keystone will
give LINCOLN 50,000 majority, and that
Philadelphia city, which gave Foster 2,000,
will give him 6,000 or more.

REPUBLICANS! Be ready to give your
country one day's service. The political
battle is upon us. We must not shrink
from our duty.

Douglas is out of the ring. The
contest is between Lincoln and Breckin-
ridge or Lane. Choose ye.

Will you give your vote so that a
southern secessionist will be elected presi-
dent? NO! A thousand times NO.

Western democrats! Now that
Douglas cannot be elected, your next choice
should be Lincoln who is a western man,
who knows your interests.

Working men! We have now an
opportunity to put a real laboring man into
the presidential chair. Lincoln came from
among you—he sympathizes with your toil,
and is not ashamed of hard work.

The south has had control of the
government three-fourths of the time since
the adoption of the constitution. Now that
there is a prospect of losing it, she threat-
ens to break up the Union. Let us show
them that we scorn their threats, by voting
for ABRAHAM LINCOLN.

You that are for free homesteads,
vote the republican ticket.

No DISUNION.—In all the border slave
states the conservative journals are denounc-
ing in unmeasured terms the threats of
disunion which are made by the fire-eaters
of the extreme south, headed by Secretary
Cobb. In case an attempt is made to carry
the threatened treason into effect, the south
herself will put it down. The idea of dis-
solving this Union is idle and ridiculous.

A CONGRESSION.—The Richmond Enqui-
rer says it is ready to concede the election of
Lincoln, and that the cry of disunion can-
not avert the calamity. 'Tis well.

AN HONEST MAN THIS TIME.—Not a
word has been said through all this cam-
paign against the honesty of Abraham Lin-
coln. His neighbors, of all parties, say he
is honest and unselfish. It has been so
long since we have seen an honest man in
the presidential chair, that the people long
for the sight once more. "Honest Abe
Lincoln" is the name our candidate bears
among his acquaintances, and on that ac-
count alone thousands will give him their
votes on Tuesday next.

THE FUSION FABLE.—The Douglasites,
fire eaters and know nothings, all com-
bined, have attempted to get up a financial
crisis to affect the presidential election.—
But they have failed. The commercial and
moneyed interests of the country were nev-
er more certain of stability and order than
at present, when there is a certainty of a
republican triumph.

WHAT DO THEY WANT?—The South
wants to make slavery national. The three
parties at the South, have, during this elec-
tion, all avowed this sentiment continually.
It is their only hope of saving that insti-
tution. We must vote down that proposition
on Tuesday. Freedom only is national.

"LET THEM SWEAT."—That is what
the Cleveland Plaindealer says to the fire-eaters
who are in a terrible fury about the elec-
tions in Pennsylvania, Indiana and Ohio.

South Carolina talks of sending an
ambassador to old Buck, asking him to re-
cognize them as an independent nation.—
Who cares if they do? It would not be
three months before another ambassador
would come for help to put down their ne-
gatives, who will inevitably rise in insurrec-
tion, the moment South Carolina is no longer
under the protection of the general gov-
ernment. The whole south is under bonds
to keep the peace. The bonds are four
millions of slaves.

The Chicago Times is down on the
St. Paul Pioneer and Democrat for prefer-
ring Lincoln to Joe Lane, but the small
light of democracy in this city does not al-
lude to it. They are afraid to let the Dou-
glas men of this region know that the organ
of Douglasism in Minnesota has declared
that the election of Douglas is out of the
question. But the people are thinking for
themselves, and there will be more voting
for Old Abe next Tuesday than the leaders
know about.

WE WANT A MAJORITY.—Not of electoral
votes merely—not a plurality, but a good
round majority of hundreds of thousands
in the popular vote. This will stop trea-
son, and give the new administration pow-
er to go through with its measures of re-
form. Strike for a big majority.

A SOUTHERN WELCOME.—The Memphis
Avalanche welcomed Mr. Douglas to that
city as follows. The Avalanche is a Breckin-
ridge paper:
"As we have already announced,
the bloated visage of Stephen A. Douglas is
now turned toward the south. He com-
mences his tramp to-day, and like an itinerant
peddler of Yankee notions, will soon be
hawking his pinhead principles over the
south. He comes in our midst with no
warrior motives than the incendiary, for he
can only expect by his visit to add to the
strength of Bell, whose election it is obvi-
ous he prefers to that of Breckinridge."

OLD TIMES.—In the Pennsylvania Post,
published for Sept. 4th, 1777, is the follow-
ing advertisement:
A person wants to go to Boston and
would be glad of a place in a chaise or wa-
gon going there, or if only half the way on
that road, and a genteel price will be given.
Any one who will suit will be waited on by
leaving a line with the printer.

GOING TO LIBERIA.—Seven of our col-
ored citizens left yesterday on the cars for
Baltimore by rail, and Liberia by the Nov.
ship of the American Colonization Society.
Their names, ages, and former birth place
were as follows:
Robert Harris, aged 35, born in Ohio;
Nancy Harris, aged 40, born in Indiana;
Henry Bazelton, 55, born in Indiana; Jane
Bazelton, 45, Ohio; John Cary, 27, Ind.;
Elizabeth Cary, 23, Illinois; Joseph Price,
16, Virginia.

We hope they may reach the place of
their destination in safety, and be happier
and better off in the land of the progeni-
tors of their race.—Racine Journal.

AN ENTIRE AMERICAN EAGLE.—At a late
democratic convention "out west," a lat-
est delegate was accosted by a small de-
legate, "delegat, sir?" "Yes, sir."
"Which wing do you belong to?" "Wing?"
"Jehoshaphat! Why, sir, I am the whole
bird!"

A SUX OF THE TIMES.—The day after
the receipt of the news of the Pennsylvania
election here, forty-seven letters addressed
to the "Excellency" Abe Lincoln, were,
we are told, deposited in the postoffice here
for transmission to the rail-splitter. Won-
der if the writers want a job.—New Orleans
True Delta.

A German girl, aged 12 years, while play-
ing at the Decatur depot, in Illinois, fell in
front of a car, which passed over her neck,
killing her instantly.

"Now, by St. Paul."—The republicans
at St. Paul are in high glee. The Chicago
Journal learns that every body is coming
into the republican party up there, and that
the state of Minnesota will more than dou-
ble her republican majority.

LOCAL DEPARTMENT.

Mr. Coddington To-night.

Those who heard Mr. Coddington when he spoke here a few weeks since, will need no solicitation to go to the court room to-night. Those who did not hear him will miss a rich treat if they fail to attend.

Proceedings of the City Council.

SPECIAL MEETING.
TUESDAY EVENING, OCT. 30th.
Present—Ald. Bates, Belton, Dickson, Pearce, Pease and Smith.
Ald. Bates in the chair.
Absent—The Mayor and Ald. Tallman, Shelton.
Several accounts were presented and referred.
A license was granted to Patrick Mullen to sell liquor.
Orders on the judgment fund were directed to be issued to Miss Mary E. Cook for \$46, to Miss M. Perkins for \$39, to Miss R. A. St. John for \$78.72, and to Miss H. K. Moon for \$78.50.
The finance committee reported in favor of paying the account of W. H. Parker for \$28.53, S. C. Burnham \$15.49, and Smith & Meech \$27. Orders directed to be issued.
On application of Wm. Macdon for relief on an unpaid judgment held by him against the city, Ald. Pease introduced an order to deliver to him \$135 of tax certificates at their face, the amount to be endorsed on the judgment. Order adopted.
An appropriation of \$2 each was made to A. C. Bates, Israel Young, J. R. Pease, S. J. Belton, J. P. Dickson and N. Parker, inspectors, and to James Hinchins and T. Hornick clerks of the election in the spring of 1860.
On motion of Ald. Dickson, a committee of three was appointed to confer with a committee from the board of county supervisors, if appointed, in relation to the grade of the public square. Aldermen Dickson, Smith and Pease appointed on the part of the council.
Adjourned.

ANOTHER TESTIMONIAL.—At the risk of offending the modest men who contribute to the Democrat, we publish another testimonial to the standing and character of Mr. Graham among his old neighbors.
We are gratified to perceive that the Hon. Alex. Graham, formerly a resident of Hector, and a member of the Legislature of New York one term, has been nominated by the republicans of Janesville, Wisconsin, to the legislature of that state. Should he be elected, he will bring to the duties of our thorough knowledge of the routine of business, and an ability which will render him a very valuable member. The citizens of Janesville, and of the counties in his district, owe it to themselves to give him a rousing majority.—*Ithaca Journal.*

FAIRBANKS' SCALES.—Weighed in the balance of a just criticism, are all obliged to admit that the scales of Fairbanks & Co. are, without exception, the best ever invented. We know whereof we affirm, because we have tested their value, and are fully satisfied of their superior merits. The introduction of these scales has wrought a revolution in the transaction of various business, and their accuracy is such that a uniformity in weights has been established all over the country, thus making them a national, legalized standard. Nor are they confined to the United States; they have found their way to almost every part of the civilized world, and are adapted to the standards of all countries, so that it may be said, all nations, if not "weighed in these balances," at least weigh by them.—*From Hunt's Merchants' Magazine.* oc30d1

TRANCE SPEAKING.—Miss Belle Scogel, a trance speaker, will lecture at the Court Room, Thursday and Friday evenings, at 7 o'clock. Admittance 10 cents, but no one excluded for want of money. oc31d2

A NEW AND DESIRABLE MAP.—Chapman's New Sectional Map of Wisconsin, is now ready for delivery by the agent who will canvass for subscriptions. It is certainly a very useful and desirable map, being entirely new, and thoroughly revised, and we are confident will be liberally patronized by our citizens. It is neatly mounted and colored, and is furnished at \$2.50, a fair price for so good a map, and if the sale corresponds at all with its merits, it certainly must be large. We trust the agent will have no cause to complain of the liberality of the business men of Janesville.

ACCIDENT.—Samuel Baldwin was badly hurt yesterday at the railroad depot in this city. He was endeavoring to couple an engine with a car in front of it, on the Northwestern road, when he accidentally slipped between them as they came together and received a serious and probably fatal injury.

THE MARK OF CAIN.—One writing from Washoe to friends in Wisconsin, says:—"Judge Terry, of Broderick notoriety, is in this vicinity. I often see him, but the mark of a murderer is upon him, and all his cunning cannot take it off."

THE MARTINISBURG REPUBLICAN learns that a LINCOLN pole has been erected in Berkeley county, Virginia, and that it is guarded, and that any attempt to cut it down will be resisted by force.

THE FINANCIAL CRISIS.—The money crisis exists no where but in the pockets of democratic office holders and office seekers. They are counted out of situations, and out of money.

Mrs. & Miss R. B. BONDS.—The N. Y. Evening Post of last Thursday, says the receiver of the Milwaukee and Mississippi railroad company is paying off at the Bank of North America the first mortgage of 10 per cent. bonds, amounting to \$74,000 on the first section, the money being already in hand and deposited.

DEATH FROM A RATTLESNAKE BITE.—In Franklin Township, Monroe county, Iowa, a little daughter of Jacob Ware, was bitten a few weeks ago by a rattlesnake while on her way to Sabbath school. She lived about a week after receiving the poison into her system.

THE ADMINISTRATION GRAVE.—Dug.

GRAND RALLY OF THE REPUBLICANS NIGHT BEFORE ELECTION!

THERE WILL BE A MASS MEETING!

of the Republicans of this city on Monday Evening, Nov. 5th,

at the Court Room.

The Speakers will be

W. B. HAWES, H. A. PATTERSON, C. R. GIBBS, J. B. CASSODAY, I. C. SLOAN and JOHN NICHOLS.

The Wide Awake

and the Wide Awake Glee Club will be out.

LET EVERYBODY COME!

Porter Wide Awake.

One of the most enthusiastic meetings we have attended this year came off last night at Cooktown.

The meeting was held in a school house, which is large and commodious, and which was filled to its utmost capacity by an attentive and appreciative audience of ladies and gentlemen.

It was addressed by H. N. Comstock, John R. Bennett and James M. Burgess, and the Janesville Wide-Awake Glee Club was also present, adding to the enthusiasm of the occasion by singing some excellent republican songs.

We saw many of the old free soil democrats present, who in 1849 were co-operating with the democrats, when that party was opposed to the admission of any more slave states into the Union, and to the extension of slavery into the free territories of the Union. These men have adhered to principle instead of the dictation of unprincipled party leaders. The years that have passed since 1849, instead of changing or dissipating, have only deepened their convictions against the crime of holding men and women in hopeless bondage.

We shall hear a good account from Porter when the time for voting comes. The meeting adjourned with a vote of thanks to the speakers and glee club, and three enthusiastic cheers for LINCOLN and HAMLIN.

The gentlemen from Janesville hereby tender their most hearty thanks for the excellent supper generously provided for them by some of the good republicans of Cooktown.

GREAT REDUCTION IN APPLES.—Roberts & Metcalf, in the Hyatt House block, are now selling choice Fall and Winter apples at \$2.25 cts. per bbl.

Phoenix Insurance Co. of Hartford.

We take pleasure in directing the attention of property-holders to the statement of the Phoenix Insurance Company, published in another column. This we consider one of the most reliable Insurance Companies in the country; and we think no one need have the least hesitancy in effecting an insurance in it. Their exhibit shows conclusively of its reliability. No one owning property should go without an insurance, and to such we recommend them to call on the agent and at once effect an insurance.—*Home Journal, Ind.*

Continental Insurance Company.

This prosperous corporation, in order to meet its present and growing wants, has just completed the purchase of the desirable property known as No. 102 Broadway and No. 1 Pine street. Possession will be given on or before the 1st of May next, when we learn a new and beautiful structure will at once be erected, suited to the requirements of the Company. No institution of a similar character in the nation, all things considered, can boast of such an unparalleled property as can this. Commencing with a cash capital of half a million of dollars, it has steadily and rapidly grown, until its available assets now amount to about one million. The officers and directors are known all over the country as among the leading influential business men and capitalists of this city. No better, safer, or stronger Insurance Company exists than the Continental. May it live and grow a thousand years, and continue to pay fat dividends.—*New York Independent.*

To the Public.

"Now is the accepted time"—to-morrow may be too late—delays are dangerous.—Have you got a store of goods? Have you a dwelling house? Have you any insurable property? Go at once to Dimock's Agency and have it insured. Do not let the melancholy words "he had no insurance" prove applicable to your case in event of a sweeping fire.

NOTHING LIKE IT TO RESTORE A DOUBTFUL CREDIT.

It is greatly to the credit of any owner or occupant of a building to have placed conspicuously over his door, any of the following leading companies' house plates. The Home of New York. The Phoenix of Hartford. The Continental of New York. The Security of New York. The Merchants of Hartford, or the Northern of London, England. Is your credit at the Banks getting below par, up with one of these plates and you are all right at the Rock County, the Central or at Hoyt's.—Every passer-by will say "there is a sound business man." Tell your New York creditors that you insure your lake freights in the reliable Old Home, and your goods after their arrival in any of these incomparable companies and your orders will at all times be filled, and at the lowest figures. A few more of these ornamental plates left at Dimock's Agency.

I desire to call the attention of the citizens of Janesville and Rock county, more in detail to these well known, reliable and prompt paying

LOCAL DEPARTMENT.

Mr. Coddington's Night.

Those who heard Mr. Coddington when he spoke here a few weeks since, will need no solicitation to go to the court room to-night. Those who did not hear him will miss a rich treat if they fail to attend.

Proceedings of the City Council.

SPECIAL MEETING.
TUESDAY EVENING, OCT. 30th.
Present—Ald. Bates, Belton, Dickson, Pence, Pearce and Smith.
Absent—The Mayor and Ald. Tallman Shelton.

Several accounts were presented and referred.

A license was granted to Patrick Mullen to sell liquor.

Orders on the judgment fund were directed to be issued to Miss Mary E. Cook for \$46, to Miss M. Perkins for \$39, to Miss R. A. St. John for \$78.72, and to Miss H. K. Moon for \$78.50.

The finance committee reported in favor of paying the account of W. H. Parker for \$29.93, S. C. Burnham \$15.49, and Smith & Meech \$27. Orders directed to be issued.

On application of Wm. Macdonald for relief on an unpaid judgment held by him against the city, Ald. Pence introduced an order to deliver to him \$125 of tax certificates at their face, the amount to be endorsed on the judgment. Order adopted.

An appropriation of \$2 each was made to A. C. Bates, Israel Young, J. R. Pence, S. J. Belton, J. P. Dickson and N. Parker, inspectors, and to James Hutchins and T. Hornick clerks of the election in the spring of 1880.

On motion of Ald. Dickson, a committee of three was appointed to confer with a committee from the board of county supervisors, if appointed, in relation to the grade of the public square. Aldermen Dickson, Smith and Pence appointed on the part of the council.

Adjourned.

ANOTHER TESTIMONIAL.—At the risk of offending the modest men who contribute to the Democrat, we publish another testimonial to the standing and character of Mr. Graham among his old neighbors:

We are gratified to perceive that the Hon. Alex. Graham, formerly a resident of Hector, and a member of the Legislature of New York one term, has been nominated by the republicans of Janesville, Wisconsin, to the legislature of that state. Should he be elected, he will bring to the duties of office a thorough knowledge of the routine of business, and an ability which will render him a very valuable member. The citizens of Janesville, and of the counties in his district, owe it to themselves to give him a rousing majority. —*Ithaca Journal.*

FAIRBANKS' SCALES.—Weighed in the balance of a just criticism, all are obliged to admit that the scales of Fairbanks & Co. are, without exception, the best ever invented. We know whereof we affirm, because we have tested their value, and are fully satisfied of their superior merits. The introduction of these scales has wrought a revolution in the transaction of various business, and their accuracy is such that a uniformity in weights has been established all over the country, thus making them a national, legalized standard. Nor are they confined to the United States; they have found their way to almost every part of the civilized world, and are adapted to the standards of all countries, so that it may be said, all nations, if not "weighed in these balances," at least weigh by them. —*From Hunt's Merchants' Magazine.*

TRANCE SPEAKING.—Miss Belle Scogel, a trance speaker, will lecture at the Court Room, Thursday and Friday evenings, at 7 o'clock. Admission 10 cents, but no one excluded for want of money. oct31d2d

A NEW AND DESIRABLE MAP.—Chapman's New Sectional Map of Wisconsin, is now ready for delivery by the agent who will canvass for subscriptions. It is certainly a very useful and desirable map, being entirely new, and thoroughly revised, and we are confident will be liberally patronized by our citizens. It is neatly mounted and colored, and is furnished at \$2.50, a fair price for so good a map, and if the sale corresponds at all with its merits, it certainly will not be large. We trust the agent will have no cause to complain of the liberality of the business men of Janesville.

ACCIDENT.—Samuel Baldwin was badly hurt yesterday at the railroad depot in this city. He was endeavoring to couple an engine with a car in front of it, on the Northwestern road, when he accidentally slipped between them as they came together and received a serious and probably fatal injury.

THE MARK OF CAIN.—One writing from Washoe to friends in Wisconsin, says:—"Judge Terry, of Broderick notoriety, is in this vicinity. I often see him, but the mark of a murderer is upon him, and all his cunning cannot take it off."

THE MARTINSBURG REPUBLICAN learns that a LINCOLN pole has been erected in Berkeley county, Virginia, and that it is guarded, and that any attempt to cut it down will be resisted by force.

THE FINANCIAL CRISIS.—The money crisis exists no where but in the pockets of democratic office holders and office seekers. They are counted out of situations, and out of money.

Mrs. & Miss R. R. Bonds.—The N. Y. Evening Post of last Thursday, says the receiver of the Milwaukee and Mississippi railroad company is paying off at the Bank of North America the first mortgage of 10 per cent. bonds, amounting to \$74,000 in the first section, the money being already in hand and deposited.

DEATH FROM A RATTLESLAKE BITE.—In Franklin Township, Monroe county, Iowa, a little daughter of Jacob Ware, was bitten a few weeks ago by a rattlesnake while on her way to Sabbath school. She lived about a week after receiving the poison into her system.

THE ADMINISTRATION GRAVE.—Dug.

MASS MEETING!

W. B. HAWES, H. A. PATTERSON,

C. R. GIBBS, J. B. CASSIDAY,

I. C. SLOAN and JOHN NICHOLS.

The Wide Awake

and the Wide Awake Glee Club will be out.

LET EVERYBODY COME!

Porter Wide Awake.

One of the most enthusiastic meetings we have attended this year came off last night at Cooktown.

The meeting was held in a school house, which is large and commodious, and which was filled to its utmost capacity by an attentive and appreciative audience of ladies and gentlemen.

It was addressed by H. N. Comstock, John R. Bennett and James M. Burgess, and the Janesville Wide-Awake Glee Club was also present, adding to the enthusiasm of the occasion by singing some excellent republican songs.

We saw many of the old free soil democrats present, who in 1849 were co-operating with the democrats, when that party was opposed to the admission of any more slave states into the Union, and to the extension of slavery into the free territories of the Union. These men have adhered to principle instead of the dictation of unprincipled party leaders. The years that have passed since 1849, instead of changing or dissipating, have only deepened their convictions against the crime of holding men and women in hopeless bondage.

We shall hear a good account from Porter when the time for voting comes. The meeting adjourned with a vote of thanks to the speakers and glee club, and three enthusiastic cheers for LINCOLN and HAMILIN.

The gentlemen from Janesville hereby tender their most hearty thanks for the excellent supper generously provided for them by some of the good republicans of Cooktown.

Phoenix Insurance Co. of Hartford.

We take pleasure in directing the attention of property-holders to the statement of the Phoenix Insurance Company, published in another column. This we consider one of the most reliable Insurance Companies in the country; and we think no one need have the least hesitancy in effecting an insurance in it. Their exhibit shows conclusively of its reliability. No one owning property should go without an insurance, and to such we recommend them to call on the agent and at once effect an insurance.—*Home Journal, Ind.*

Continental Insurance Company.

This prosperous corporation, in order to meet its present and growing wants, has just completed the purchase of the desirable property known as No. 102 Broadway and No. 1 Pine street. Possession will be given on or before the 1st of May next, when we learn a new and beautiful structure will at once be erected, suited to the requirements of the Company. No institution of a similar character in the nation, all things considered, can boast of such an unparalleled prosperity as can this. Commencing with a cash capital of half a million of dollars, it has steadily and rapidly grown, until its available assets now amount to about one million. The officers and directors are known all over the country as among the leading influential business men and capitalists of this city. No better, safer, or sturdier Insurance Company exists in the Continental. May it live and grow a thousand years, and continue to pay fat dividends.—*New York Independent.*

To the Public.

"Now is the accepted time"—to-morrow may be too late—delays are dangerous.—Have you got a store of goods? Have you a dwelling house? Have you any insurable property? Go at once to Dimock's Agency and have it insured. Do not let the melancholy words "he had no insurance" prove applicable to your case in event of a sweeping fire.

NOTHING LIKE IT TO RESTORE A DOUBTFUL CREDIT.

It is greatly to the credit of any owner or occupant of a building to have placed conspicuously over his door, any of the following leading companies' house plates. The Home of New York. The Phoenix of Hartford. The Continental of New York. The Security of New York. The Merchants of Hartford, or the Northern Banks getting below par, up with one of these plates and you are all right at the Rock County, the Central or at Hoyt's.—Every passer-by will say "there is a sound business man." Tell your New York creditors that you insure your lake freights in the reliable Old Home, and your goods after their arrival in any of these incomparable companies and your orders will at all times be filled, and at the lowest figures. A few more of these ornamental plates left at Dimock's Agency.

I desire to call the attention of the citizens of Janesville and Rock county, more in detail to these well known, reliable and prompt paying

LET EVERYBODY COME!

Porter Wide Awake.

One of the most enthusiastic meetings we have attended this year came off last night at Cooktown.

The meeting was held in a school house, which is large and commodious, and which was filled to its utmost capacity by an attentive and appreciative audience of ladies and gentlemen.

It was addressed by H. N. Comstock, John R. Bennett and James M. Burgess, and the Janesville Wide Awake Glee Club was also present, adding to the enthusiasm of the occasion by singing some excellent republican songs.

We saw many of the old free soil democrats present, who in 1849 were co-operating with the democrats, when that party was opposed to the admission of any more slave states into the Union, and to the extension of slavery into the free territories of the Union. These men have adhered to principle instead of the dictation of unprincipled party leaders. The years that have passed since 1849, instead of changing or dissipating, have only deepened their convictions against the crime of holding men and women in hopeless bondage.

We shall hear a good account from Porter when the time for voting comes. The meeting adjourned with a vote of thanks to the speakers and glee club, and three enthusiastic cheers for LINCOLN and HAMILTON.

The gentlemen from Janesville hereby tender their most hearty thanks for the excellent supper generously provided for them by some of the good republicans of Cooktown.

Phoenix Insurance Co. of Hartford.

We take pleasure in directing the attention of property-holders to the statement of the Phoenix Insurance Company, published in another column. This we consider one of the most reliable Insurance Companies in the country; and we think no one need have the least hesitancy in effecting an insurance in it. Their exhibit shows conclusively of its reliability. No one owning property should go without an insurance, and to such we recommend them to call on the agent and at once effect an insurance.—*Home Journal, Ind.*

Continental Insurance Company.

This prosperous corporation, in order to meet its present and growing wants, has just completed the purchase of the desirable property known as No. 102 Broadway and No. 1 Pine street. Possession will be given on or before the 1st of May next, when we learn a new and beautiful structure will at once be erected, suited to the requirements of the Company. No institution of a similar character in the nation, all things considered, can boast of such an unparalleled prosperity as can this. Commencing with a cash capital of half a million of dollars, it has steadily and rapidly grown, until its available assets now amount to about one million. The officers and directors are known all over the country as among the leading influential business men and capitalists of this city. No better, safer, or stronger Insurance Company exists than the Continental. May it live and grow a thousand years, and continue to pay fat dividends.—*New York Independent*.

To the Public.

"Now is the accepted time"—to-morrow may be too late—delays are dangerous.—Have you got a store of goods? Have you a dwelling house? Have you any insurable property? Go at once to Dimock's Agency and have it insured. Do not let the melancholy words "he had no insurance" prove applicable to your case in event of a sweeping fire.

NOTHING LIKE IT TO RESTORE A DOUBTFUL CREDIT.

It is greatly to the credit of any owner or occupant of a building to have placed conspicuously over his door, any of the following leading companies' house plates. The Home of New York. The Phoenix of Hartford. The Continental of New York. The Security of New York. The Merchants of Hartford, or the Northern of London, England. Is your credit at the Banks getting below par, up with one of these plates and you are all right at the Rock County, the Central or at Hoyt's.—Every passer-by will say "there is a sound business man." Tell your New York creditors that you insure your lake freights in the reliable Old Home, and your goods after their arrival in any of these incomparable companies and your orders will at all times be filled, and at the lowest figures. A few more of these ornamental plates left at Dimock's Agency.

I desire to call the attention of the citizens of Janesville and Rock county, more in detail to these well known, reliable and prompt paying
